## **ABSTRACT:**

The country's biggest challenge is the terrorism which is not solved till today's date. The country is facing many problems in solving or in fighting against the terrorist. Due to that the lives of people loss, many people became handicapped etc. There is loss and only loss in our country. For this we have to fight against terrorism and get rid of terrorist. In this paper I am trying up to some extent to get rid of the loss due to them. The terrorism activity like bomb blast in Mumbai railway station, in Parliament house, Akshardham temple etc.
